## Professional SMT EQUIPMENT

## Kampfer India Offer

World Leading Technologies  
For Complete Surface Mount  
Technology Solutions

Addressing professional applications, in terms of Surface Mount Technology, Kampfer India provide complete solutions, presenting leading technologies from international players. Manifesting the ethos of care, Kampfer India ensures quality with consistency through the best machines worldwide.

The synergy between the Global Partners & Kampfer India, has leveraged the association, to a top notch comprehensive solution benchmark. All put together, Kampfer India give you options to keep you connected, ahead of others... Today & Tomorrow.
