

B2B Component

Semiconductors

Embedded and IoT systems

Connectors

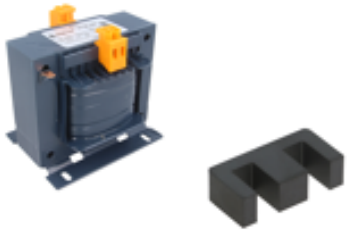

Diodes
Bridge rectifiers
Discrete semiconductors modules
Thyristors
Triacs
Diacs
Transistors
Integrated circuits
Semiconductors - accessories
Programmeters and erasers
Development kits
Communication modules

Raspberry Pi
Single board computers
Communication modules
Enclosure for Embedded Systems
Memory Modules

Signal connectors
Data connectors
RF Coaxial connectors
Industrial connectors
Military connectors
Automotive connectors

Ferrite Cores

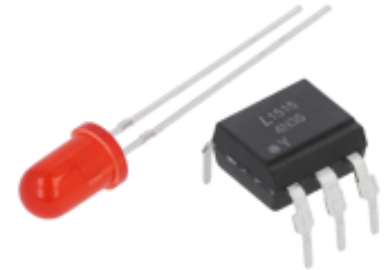

PCB transformers
Transformers with Fastening
Toroidal Transformers
Safety Transformers
Autotransformers
Current Transformers
Ferrite Cores
Coil formers and accessories

Passives

Resistors
Capacitors
Encoders
Potentiometers
NTC thermistors
Varistors

Optoelectronics

LEDs
LED indicators
Displays
Optocouplers
Photoelements
LEDs accessories

STATISTICS

400 +

MANUFACTURERS

4 M

MILLION PRODUCTS
READY TO SHIP

1 Year

1 YEAR FULL
WARRANTY
